To those of us in the Tech Course, Wooddale Airport with its planes and facilities will ever be in our album of memories.

How often we passed through this Arch on our way to recreation in the game room or to fellowship in the social rooms.

AROUND THE SCHOOL

With us always will be precious memories of days of study and activity spent in these halls in preparation for His service.

PREPARATION ...

We "learn by doing" as we go out into missions, churches and street corners telling forth the good news—
Christ came to save sinners.

The training of Technical Specialists in Missionary Aviation, Radio and Photography is the newest ministry.

Concentrated study of the Bible and related subjects has occupied the most of our hours of preparation here.

WE DEDICATE

Miss Grace Darling

"Gentle unto all men, apt to teach, patient . . . slow to anger . . . patient toward all men . . . of an excellent spirit . . . steadfast, unmoveable, always abounding in the work of the Lord . . . diligent . . . not slothful in business, fervent in Spirit, serving the Lord."

FOREWORD

The unforgettable days spent as students at Moody Bible Institute have been days of intensive training and service, a time of preparation for the most wonderful privilege in this world—serving our Lord Jesus Christ.

Although we were not always aware of it, that preparation took many different forms: contact with the administration from admission application to diploma prepared us through guidance; long hours in the classroom and library prepared us through study; participation in student organizations prepared us through practice; and opportunities in Christian work prepared us through activity.

To the end that we may be further prepared for the future by precious memories of the past, this, the 1952 ARCH, is expectantly sent forth.

PREPARATION THROUGH . . .

GUIDANCE

Message from the President

Wise men in every age have laid great stress upon preparation. Preparedness is a watchword today. The intrigue of plotters against liberty calls for constant watchfulness and instant readiness.

If worldly men sense the need of being ready for emergency, should not we who are the children of God? We are in the conflict of the ages. The battle is not a possible one or a probable one for us; it is on! To enter the fray, to face the foe in the thickest of the battle is foolhardy, unless we are prepared.

These have been days of preparation. In one sense such days never end. However, never forget the prepar-

ation you have learned here. May your soul be prepared by the Word of God, by prayer, by trial. May your mind be prepared by diligent study, by careful, painstaking, meticulous search. May your body be prepared by healthful exercise and by daily care. May your spirit be prepared by communion with the known and the loved Lord.

Remember, he who ascends the hill of the Lord—as the conqueror who was prepared and who by God's provision overcame—is

“He that hath clean hands, and a pure heart;
Who hath not lifted up his soul unto falsehood,
And hath not sworn deceitfully.”

Message from the Dean of Education

"The preparations of the heart in man, and the answer of the tongue, is from the Lord." (Prov. 16:1)

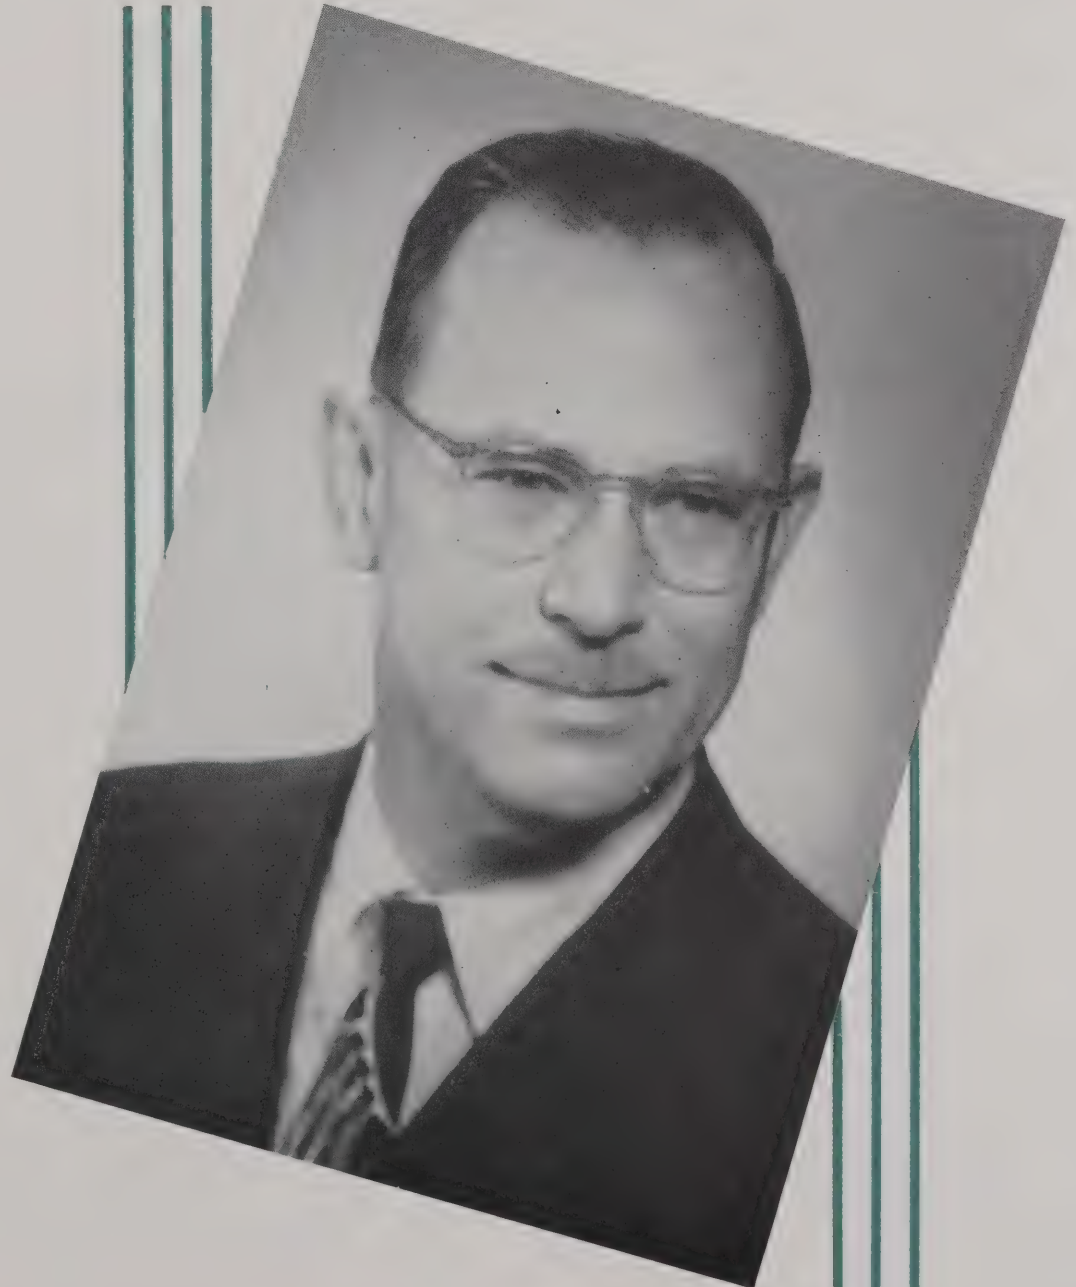

When you come to Christ as Saviour, you were very conscious that the Lord had first prepared your heart through the conviction of the Holy Spirit. The answer of the tongue when you confessed your faith to Him and to others was likewise "from the Lord."

Afterward, the desire which burdened your heart to devote yourself to Christian service originated with the Lord, as did your response when you answered His call, "I gladly present my body a living sacrifice."

Then you came to Moody Bible Institute, where Christ has continued the preparation of your heart for the work He has called you to do. You have been conscious of His presence in this blessed place. He has spoken to you in the classroom, the devotional hour, the prayer

meeting, the conference program. It is because He dwells in the hearts of other students that you have found Christian fellowship the like of which you may never have known before. All this, and more, has been part of the preparation of heart characterizing life for you in this school.

What will be "the answer of the tongue" as you now leave to represent your Lord before the world? If it is not from the Lord, your ministry will be powerless. We shall be praying that everything you speak to God in prayer and intercession, everything you utter before men, will be from the Lord whose Word you have been studying. If you speak as in His presence, receiving your message from Him, there is no limit to what He may be pleased to do through you.

S T U D Y

January 1952 Class

The sixty-four members of our class came to the Moody Bible Institute in response to God's call to train for His service. In the fall of 1951, we organized for the purpose of increasing our interest in and usefulness to each other and the school. Many inspiring hours had been spent under the teaching of Dr. Alfred Martin, so we were very pleased to learn that he was to be our Class Advisor. We believe it to have been a direct leading of God to select Phil Wahl as our president, for he has guided us faithfully.

In addition to our many outings, the class devotions and prayer meetings were a source of blessing to all who attended.

A great deal of hard work was encountered when we were in charge of the Junior-Senior banquet given for

our predecessors, but the excitement of being Juniors spurred us on.

Seniors at last! and how enjoyable it was to relax at the superb banquet given to us by the Junior Class on Saturday, December 15, 1951. Centered around the Christmas theme, the evening's entertainment included a dramatic presentation of "A Gift for the Christ Child." The highlight of this term was the retreat when we spent a few precious hours in fellowship together with Christ.

We leave this beloved school with hope and expectation, looking forward to full-time service. The one thing for which we now strive, as in days past, is "To Do His Will," and with God's help, we shall obtain this goal which He has set before us.

June 1952 Class

In the winter term of 1951, the April 1952 class was organized. Because of the change in the curriculum, we later became known as the June 1952 class. This is one of the things that has made our class distinctive.

Ours was the first class to have a baby Junior retreat. We enjoyed a day of recreation and fellowship at the Methodist Camp Ground at Des Plaines, Illinois on Saturday, July 14th.

Long to be remembered are the times of relaxation and testimony at our class socials. An outstanding social was the outing at Montrose Beach with Mr. Herbert Lockyear, Jr. as our devotional speaker. In our times together, we have come to know each other's aspirations and visions for service, and have shared each other's joys and sorrows. Class devotions have deepened the spiritual tie between us, and social activities have furnished us with pleasant memories and strengthened our bonds of fellowship.

The Christmas season provided an appropriate theme

for the Junior-Senior banquet, the planning of which each class member had a part. Seasonal music by a string ensemble warmed the atmosphere of the dining hall on that chilly December 15th. Climaxing the evening was the presentation of a play, "A Gift for the Christ Child."

For four terms, Don Phillips served as our class president, and Miss Rentschler was our able advisor. Included in our class are the first group of four-year Missionary Technical students to graduate from the Institute.

Senior retreat time in February at Pokagon State Park, Angola, Indiana, was as wonderful as had long been anticipated.

We have come from a variety of walks of life, and will be going out to various fields of service. Here at school we have learned the necessity of depending wholly on the Lord in order to be fit vessels to go forth "Bearing Precious Seed."

August 1950 Class

We all remember how important we felt the day that notices were received to attend the first meeting of the August, 1952 class. Then as we left the organization meeting on the morning of May 22, 1951 we fully realized that the "big day" was drawing near. During the first term together, we had a wonderful picnic at Thatcher Woods and found inspiration in class devotional times.

At the beginning of the Fall semester, we elected as our president, John Wiens, and he has been a very capable leader. There were so many problems to discuss and decisions to make, but he has guided us well, and with Mr. Springer as advisor, what could go wrong?

On September 29, 1951 we spent one glorious day at the Conference Grounds at Cedar Lake, Indiana. The fun, food and fellowship caused us to look forward even more expectantly to our Senior Retreat in June.

And then we were Juniors! The excitement of planning a banquet for the Seniors and electing our class speakers made us realize how soon we would be out in the Master's service. This was pre-eminent in our minds as we chose "At Thy Word, I Will" as our class motto. Our enrollment at the Moody Bible Institute was in response of a command of God, and we have endeavored daily to live according to His Word. As we look forward to our graduation day on July 31, 1952, we realize how much has happened since the day we were first-termers. The class room instruction, practical work assignments, and social contacts have all added so much to our preparation. Each day brought new experiences which taught us what it means to trust God and submit to His will in all things. As we leave this beloved school, we, in one accord, say to our Lord and Saviour, "At Thy Word, I Will."

Arloa H. Twist

In Memoriam

For the child of God, death is the gateway to life. Arloa Twist, devoted Christian, student of the Moody Bible Institute, entered that gate with rejoicing. Her Lord, whom she loved best in Heaven, and her father, whom she loved best on earth, had gone before her.

On April 6, 1952, Arloa went to be with the Lord in her sleep. Just before retiring she learned the chorus, "My home is in Heaven just waiting for me." In our midst, she was loved as a friend, respected as a student, honored as a Christian. We rejoice that God has taken her home to be with Himself.

Each film must be carefully edited before it is ready to be shown around the world.

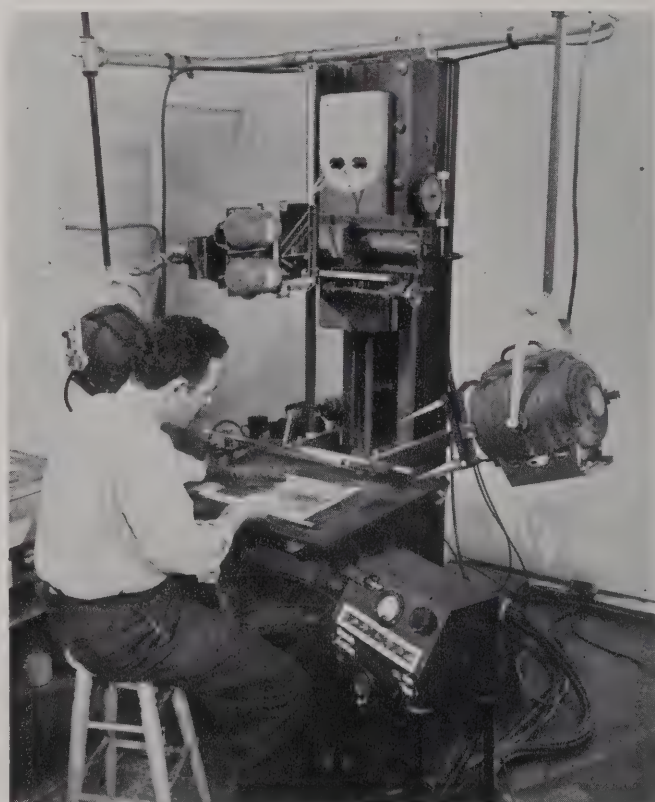

Trained artists spend many hours over the titling and other art work.

The development of a hobby into an international project is the story of MIS. Dr. Irwin A. Moon was a preacher interested in science and he found that there is a close relationship between the Bible and science. When he found that this relationship could be dramatically demonstrated, he recorded them on color film. Realizing the tremendous possibilities of these scientific sermons, the Moody Bible Institute took the project into its ministry. In a short time MIS was born and has now become well

known as the source of outstanding gospel-science films.

There are now five excellent color films in use. "God of Creation" explains the marvels of astronomy. Contrary to belief that there is no sound under the sea, "Voice of the Deep" reveals that fish have a language of their own. "God of the Atom" is a startlingly different approach to the atomic bomb problem. Equally effective in presenting the wonders of nature are "Dust or Destiny" and "Hidden Treasures".

One of the most effective phases of the Moody Institute of Science ministry is the "Sermons from Science" series. These presentations have been especially effective at army camps, navy and army air bases.

Girls' Glee Club

One of the Sacred Music Department's newest groups is the Women's Glee Club, directed by Mr. Earle Hulin. Organized at the beginning of the fall semester, the club rehearses on Tuesday afternoon and joins with the other musical groups of the Institute in the Oratorio Chorus on Friday afternoon.

The Moody Symphony Orchestra, under Don Hustad's direction, adds much enjoyment to the Institute's musical programs. In addition, valuable training and experience is gained by its members as they participate in commencement exercises, oratorios, and the Sacred Music Conference.

Moody Chorale

Under Mr. Hustad's inspiring direction, the Moody Chorale plays a very important part in preparing students for the ministry of sacred music. Much valuable experience is received through singing the best sacred choral literature in near-by churches, at commencement programs, and during the Founder's Week Conference.

Forty-five Chorale members now make two tours annually. Following the January Commencement, they gave twenty-one concerts during a seventeen day trip through the Southeastern states. The spring recess again allowed the Chorale to go out on the road for a ten day tour of the midwest. These tours also provide an excellent opportunity for participation in small ensembles, solo work, and personal witness in private homes.

Young people are challenged to Christian service. Young and old alike are shown the Institute's dependance upon the prayer and financial support of God's people.

It is anticipated that during the summer vacation months the Choralaires, directed by Mr. Hulin, will tour extensively to represent the school in a ministry of music. Plans also are being made for this ensemble to accept numerous engagements apart from the Chorale concerts.

Although the Chorale gives training, experience and times of good Christian fun and fellowship, its main purpose of telling the gospel story in song is being accomplished according to God's will and through His grace.

The eighty voice Moody Chorale sings under the direction of Donald P. Hustad.

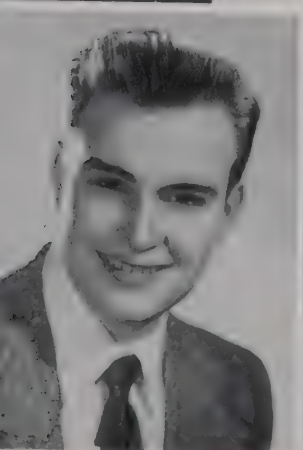

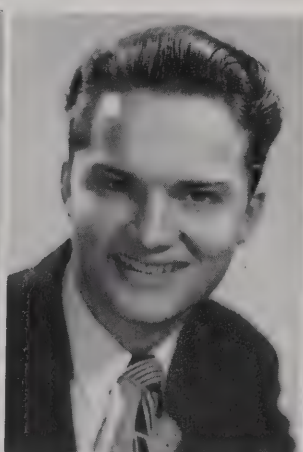

Songs by the Choralaires trio, Bunny Frishmuth, Christine Barville, and Miriam Estep, are heard on tours and other engagements.

"All In A Lifetime" is skillfully narrated by Elizabeth Meigs, Joe Wootton, Steve Doorneweerd, Carlo Pietropaulo, Roger Rose and George Barnett.

Correspondence School

Since its beginning in 1901, Correspondence School has maintained a steady growth in enrollment and courses of study. This department is providing a means of studying the Bible and related subjects to ten thousand persons from all sections of the country and walks of life.

With the addition of an Analytical Study of Colossians and Dr. Moyer's course, "Great Leaders of the Christian Church," the Correspondence School continues to offer the best of home study for those not able to personally attend the Institute.

Evening School

Mr. Snow interviews a prospective student.

Every Tuesday and Friday night, hundreds of pastors, Sunday School teachers, church musicians and other lay workers take advantage of the practical and Bible centered training offered by the Moody Evening School. Six-hundred fifty-five students enrolled for the Spring Semester.

The three year curriculum is centered around four courses in Bible, Christian Education, Music and Evangelism. New electives such as Choral Literature, Recent Discoveries in Archaeology, and Current Trends in Theology enrich the basic requirements for students in any branch.

In addition to a promotional program over WMBI, two Gospel Teams present the message of salvation and advantages of attending evening classes to churches and other organizations in the Chicago area.

Evening School students often bring with them stories of interest. One young couple, a doctor and his wife, who have served the Lord in Africa, attended classes while in this country for three years of special medical training in a Chicago hospital. They testify as to how their Evening School studies bridged the gap in their Christian experience and teaching.

Evening School continues to be an important phase of the Moody Bible Institute's ministry of training men and women for Christian service.

Radio

Continuous advancement has characterized the Missionary Technical Course since its small beginning in 1946. The most recent achievement was the introduction of an aircraft maintenance course, called "Aircrafts and Engines." It has been approved as an accredited A. & E. Course by the Civil Aeronautic Authority. Keeping pace, the Flight School is now approved by the C.A.A. to grant commercial pilot's licenses. A student may now graduate from one of four courses: The Flight Course, A. & E., Photography, Radio, or a combination of one or more of these courses.

In addition to the technical subjects, students are enrolled in enough Bible courses to meet the requirements of the major mission boards.

The Missionary Tech graduate goes to the field thoroughly trained to meet the need for spiritually minded specialists to boost the work of men and women in isolated mission stations.

PREPARATION THROUGH . . .

PRACTICE

The Moody Student

Daily devotional and prayer time provides guidance and blessing.

This year the MOODY STUDENT for the first time in history became a self-supporting paper. This was done by reaching a circulation of approximately 3000 copies to day and evening school students and by increasing advertising sales.

A column telling of the leading of the Lord in bringing faculty members to the Institute has aroused the interest of the students, as well as a new column called, "What Do You Say?", which prints contributions from the student body. Once again the MOODY STUDENT won first class Associate Collegiate Press rating in competition with college-level papers.

Editor Fred Dickason attributes the paper's success to the noon prayer meetings held each day! "God knows our needs, and meets them all."

Mr. Cook is the faculty advisor for Missionary Union.

The Missionary Union aim is to keep before the students the burden of prayer and the need of foreign missions even more than it has before.

During Emphasis Week, the faculty presented messages that stressed the preparation here for the commission: "Ye shall be witnesses" in the various foreign fields, wherever the Lord leads the student.

Fifty per cent of the student body are members of the Missionary Union. This year, through Missionary Union collections, the students gave \$11,000 for missionary causes. There are many deputation meetings held in the Chicago-area churches during the semester. This gives the students an opportunity for experience in testifying, preaching, playing musical instruments, and singing under the direction of the Holy Spirit to present the need of giving and the work of preaching the gospel of Jesus Christ throughout the world.

Recreational Club

"Sit down!" "Quit rocking the boat!" Many such remarks were heard at our boating party at the opening of school. Hilarious picnics, gala parties, and the best in musical entertainment provide variety in the programs that our Rec Club sponsors each month. Each student looks forward to these times of relaxation and

entertainment, for there is nothing so refreshing as some good wholesome fun. These happy times also afford an opportunity to get acquainted with one another. The life of a Christian should be a balanced one, and the Rec Club makes our personalities better rounded for service for our Master.

Having chosen "Preparation" as the theme of the 1952 ARCH, a staff of twenty-three members began during the summer of 1951 to plan and pray for a book that would bring glory to the Lord. Under Ed Osterwind's able direction several new methods of lay-out and copy writing were incorporated into the production of the annual. Students in the Institute's Technical course did much of the photography in this year's book.

The cooperation of this department and the friendly counsel of Miss Darling, Mr. Lessel, Mr. Kline, and Mr. Paney has aided immeasurably to the preparation of the book.

Although compiling the ARCH required long hours of labor, it was exciting and much fun. Above all, this work provided another opportunity for valuable experience needed in preparing for Christian service.

Student Council

President Betty Crocker meets with Student Council members.

Houghton Hall's second floor lounge was the scene of the "Big Sister Tea."

From a small beginning seven years ago, Student Council has become a vital part of student life. At the present time it consists of representatives chosen by the students of each floor of all the dormitories. In addition, Houghton Hall girls elect four student assistants who very capably help to maintain the wholesome living among its residents.

The "big sister" program, Stunt night, and Field Day are projects of the Women's Council.

Both groups are endorsed and acknowledged by the Deans' offices and are the connecting link between the student body and the school's administration.

Christian Nurses' Fellowship

With an emphasis on prayer and service, the primary purpose of the Christian Nurses Fellowship is to benefit nurses and those interested in the profession.

Gospel and deputation teams present the challenge of Christian living and full time service to other nurses. This organization also provides the very profitable opportunity for nurses to share their professional problems and experiences as students at MBI.

Christian Teachers' Fellowship

Since its beginning in November 1951, the purpose of the CTF has been to awaken and maintain interest in the teaching field as a part of Christian ministry. Now consisting of fourteen members the fellowship welcomes any one interested to attend future meetings.

Elfrieda Pruitt presides at a Christian Teachers meeting.

Christian Education Club

Assisting in the preparation of Moody Bible Institute students is the Christian Education Club. Its monthly meetings provide valuable information about new and more efficient methods for teaching and directing youth programs.

Last year the club began work on files. One is for flannelgraph and object lesson material, and the other is a model Christian Ed file which guides students in setting up files of their own. Work on this project is being continued, and it is hoped that many will avail themselves of this service.

Under Mr. Garner's guidance, the Club's goal is to interest students in the important ministry of Christian Education.

Alumni Association

The year 1951 has been one of increased activity for the sixth-floor offices of the Alumni Association. Under Mr. Lockyer's direction, the capable staff acknowledged 11,000 gifts, handled publicity for 42 rallies, and prepared the bi-monthly Alumni News for 33,000 former and present students.

Contacts with churches and other groups resulted in the

placing of Alumni into permanent places of Christian service. The Placement Bureau's newest project is a pastoral pulpit exchange program.

All this increased activity has resulted in the development of Alumni interest among students, and we praise God for the Association's part in our preparation for God's service.

The purpose of the Radio Club, now in its second year, is to provide an opportunity for all students interested in becoming licensed operators to have an active part in operating an amateur station.

Its objective is to get in touch with Christian "ham" operators all over the United States, and then establish contact with foreign mission fields. The Institute's two

amateur stations are W9LLW and W9NNP. During the Founder's Week Conference, they sent approximately 250 radiograms to persons in the United States and her possessions as a courtesy to guests.

The club will soon operate from the new headquarters in the 153 building.

ACTIVITIES

Homecoming

George Speake presents a "Sermon From Science."

Class reunions on the afternoon of June 22, 1951 began the fourth annual Homecoming activities. Tours of the Institute and Wooddale Airport were conducted and later a large crowd gathered on LaSalle Street to witness the laying of the Houghton Hall cornerstone.

Six hundred alumni attended a special banquet held in the school dining room. Following the dinner, the first Thomas S. Smith trophy was presented to Dr. P. B. Fitzwater of the faculty, and the senior class was officially welcomed into the alumni fellowship.

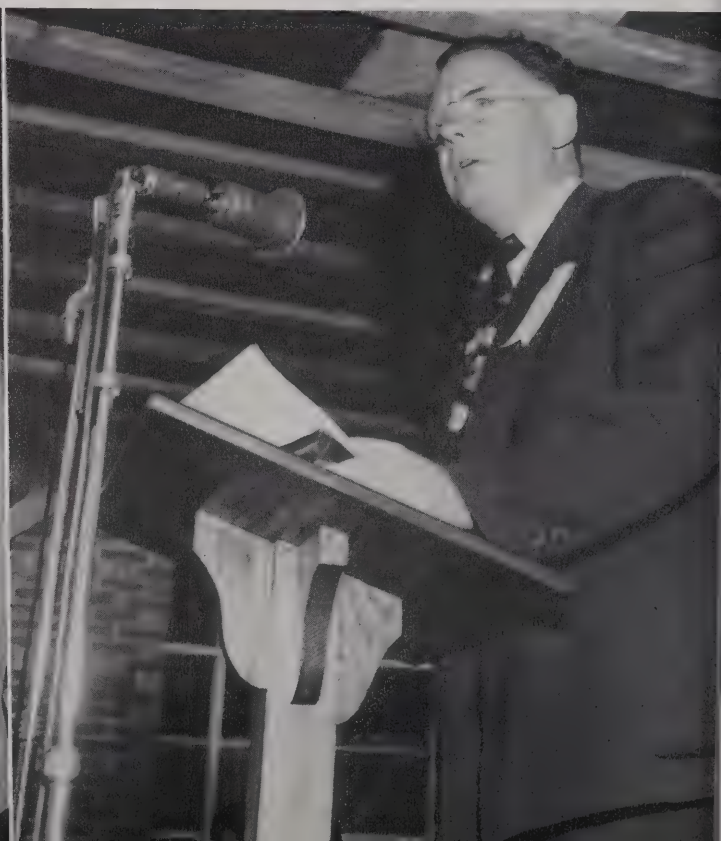

In the evening, alumni, students, and donors gathered in Torrey-Gray auditorium to view the "Sermons from Science." This program was given in Chicago for the first time by Keith Hargett and George Speake, of the Moody Institute of Science.

Future homecomings will coincide with the June commencement in order to give Moody Alumni opportunity to renew acquaintances and again enjoy MBI activity.

Mrs. Houghton climaxes the ceremonies by laying the corner stone.

A large crowd views the proceedings from the street.

Founders' Week

Many of the 55,000 people who attended the 46th Annual Founders' Week Conference expressed the opinion that it was the best they had experienced. From the opening message by Dr. Culberson at the theme "Hope for the Hopeless" to the concluding session with Dr. Bob Jones, Sr., it was evident that God's Spirit was moving upon the conference in answer to earnest prayer. On Monday night, 3000 came to hear "Word of Life" director Jack Wyrzten. Souls were saved from the first night and throughout the week.

The largest audience to attend a single session was on Missionary Night, when 4,200 heard Dr. Harold J. Ockenga speak on the subject "On Fire, but not Consumed." It was during this service that many young people publically

declared for the first time their response to God's call to be missionaries. Dr. Coder's prayer of dedication was for these as well as the hundreds of others who previously had made this decision.

The Promotion Department reported that 1,286 persons attended the 84 conducted tours through the Institute. The Moody Institute of Science films were shown twice each day in the Alumni Auditorium throughout the week.

Mr. Philip Newell, Dean of Student Affairs, stated that "There was a new concept of the real meaning of prayer and a very definite blessing was experienced by those who met after each evening meeting for prayer." There can be no doubt that we experienced a genuine season of refreshing from the presence of the Lord Himself.

Moody Church Auditorium was well filled each night.

Carleton Booth leads singing at the Monday night service.

Dr. Culbertson addresses the Alumni banquet.

Do you need a job? Well girls, if you like to wait on tables, can type, take dictation, or file, Miss Carmichael has a place for you. And fellas, Mr. Sherwood certainly has a variety of things for you to do.

Offices, factories, restaurants, and many other business establishments have found Moody Bible Institute students to be capable and dependable. Because of this, the majority of the student body who find it necessary to earn part of school expenses can look to the Student Placement Bureau for help and counsel.

After a person has been placed in a suitable position, this department also endeavors to check at intervals to see that satisfactory relations are maintained for students and employers alike.

Practical Christian Work

The entrance of God's Word giveth light

Since the founding of the institute by D. L. Moody, experience in Christian work has played a very important part in student preparation. Each student is given an average of two practical work assignments a week. The summer months give opportunity for outdoor child evangelism and street meetings. During the winter, many groups go to rescue missions, where they may be in complete charge of the service or only assist by providing musical numbers and giving personal testimony.

With the express purpose of winning souls to Christ, students participate in house-to-house and hospital visitation. The practical Christian work program also includes club work, and teaching Sunday School and child evangelism classes. Those who have musical talent find places of ministry as soloists, choir directors and organists in Chicago area churches.

Practical Christian work not only trains the students, but also presents a constant reminder of the tremendous need of a lost world. A challenge to more consecrated living, as well as great blessing is experienced by all who are preparing themselves for Christ's service through Practical Christian work.

Ed Colson receives volleyball trophy from Coach Nelson.

Sports

During the past year a greater emphasis has been placed upon sports because of the fine spirit of competition and real skill displayed by its participants. The intramural program consists of volleyball, badminton, basketball and table tennis.

Since the coming of Coach Morris Nelson to the Institute in 1947, the interest in athletics has increased to the point that there are now ten organized basketball teams. Annual volleyball, table tennis and badminton championship contests attract the entire student body and provide a wholesome way to spend leisure time.

Basketball

Moody varsity games have been limited the past few years to the annual games with Wheaton and the Lawson YMCA. Former contests with seminaries in the Chicago area have been discontinued, since they have gone into league play with each other. However, the number of intramural contests has greatly increased. There are now ten separate teams, and games are played in the Institute gymnasium four nights a week. During the season, all ten teams play each other at least once.

Enthusiasm among the student body is exceptionally good. Games are well attended and there is a fine spirit of competition among both players and spectators.

**65 YEARS AGO
D. L. MOODY
HELPED YOU**

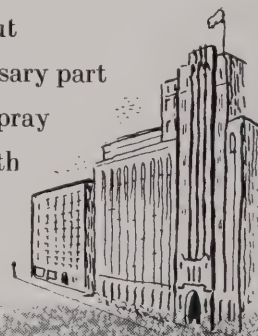

Of course you weren't around at the time, but in 1886 the great evangelist founded a school for young people like you—young people who wanted training for soul-winning Christian service, but didn't have a bulging bank account.

No tuition was to be charged at his school, Mr. Moody said, and through the years no tuition has ever been charged at MBI. To see what a sizeable savings this has been for you, find out what any institution of higher learning charges for tuition.

We know you're grateful to the Institute friends who—sometimes at great sacrifice—have made your tuition-free training possible. Now you can show your appreciation by enabling other consecrated young people to train at Moody.

Perhaps you can never give as liberally as you wish, but remember—small cash contributions are a very necessary part of the Institute income. So give as you are able, and pray for Moody-trained men and women, as they show forth Him who is light to a dark and sin-sick world.

"nobody loves me!"

... and I hate everybody" pouts Judy, "I wish I could run away."

Ten years old, and already she's found the world an unfriendly place. First it's school, then the kids . . . everybody picks on her. And at home the baby gets all the attention. Judy is sullen and resentful because she feels no one understands or cares about her problems. Judy's reactions to her world may seem foolish and immature, and yet millions of men and women the world over share her feelings. They find it difficult, sometimes impossible, to face their futures. They want to run away from it all because they, too, feel that no one cares.

But someone does care. The Lord Jesus Christ cared enough to die so that hopeless, discouraged men and women might live victoriously. Only a personal experience of the reality of God's love gives the reassurance and strength needed to meet everyday problems.

In a world of growing uncertainties, the need for this reassurance grows greater daily.

Someone must show boys and girls and men and women the way if they are to be saved from a life of self-pity and bitterness. You can tell them.

Scripture Press' All-Bible Graded Series of Sunday School Lessons, graded to serve every age-level, from cradle roll to adult, is ideally suited to help you and your church to meet this challenge of today and tomorrow.

Just fill out the coupon and get the new, revised book, "How Firm a Foundation" for full information. It will help you lay a firm foundation for the future of all age-groups in your Sunday School.

How to Live With Yourself by Merv Rosell

God's blueprint for living. A group of sermons by this nationally-known evangelist which have proven to be of great help to many believers. The subjects are immediately fascinating: How to Know God's Plan for Your Life, How to Conquer Your Fears, How to Escape the Guilt Complex, How to Live Victoriously, How to Anchor Your Faith, How to Build a Successful Christian Home. Every subject is a huge one to handle in one short message. Again, here's a book in modern plastic cover, case bound. . . . \$1.00

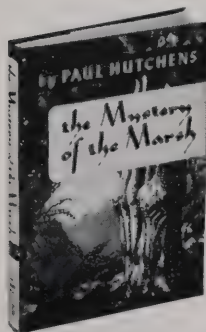

STORMS and STARLIGHT by V. Raymond Edman

To the thousands who have read Dr. Edman's book "The Disciples of Life," this new one will be good news. Every reader will finish the book with a deeper love for Christ. It presents lessons from everyday life and commonplace folk. They are from the kind of circumstances in which we frequently find ourselves—solitude, storms, sarcasm, solace, silliness, solvency, to mention only a few. Most of the incidents treated are from the Gospel of Mark and tend to give a real unity to the whole book. 176 pages, cloth bound, . . . \$2.50

Mystery of the Marsh by Paul Hutchens

The Christian world awaits with expectancy any new book by this widely-known author. Besides his juvenile Sugar Creek Gang books, he has turned out more than a dozen novels in the past fifteen years. This one is different. His main character is writing a book and Mr. Hutchens uses him to present a strong body of truth against certain forms of error which are taking hold of so many people to-day. 176 pages, . . . \$2.00

I Seen Him When He Done It

by Gladys Blanchard Muller and Dorothy Blanchard Bennett

One of the most widely acclaimed books on the market today. It deals with Christian etiquette, in the pew, the pulpit, the choir, Sunday school, and even outside of all these, in such fashion as to be highly entertaining while putting across the idea that these things should not be. Written by two women who were reared in the church parsonage and who know whereof they speak. It should be in every home and church pew. 72 pages, cloth bound, fetching jacket, . . . \$1.25

D. L. Moody believed it . . .

AND SO DO WE!

D. L. Moody said God would give revival any time His people met His requirements. Through the past twenty years—barren, lean, meagre years—when defeated Christians despaired of revival, *The Sword of the Lord* and our editor, Dr. John R. Rice, have staunchly believed God could give again the kind of revival D. L. Moody saw

To help bring revival, we publish books by great preachers and evangelists, such as Dr. Robert G. Lee, three-time president of 7 million Southern Baptists; Dr. Bob Jones, Sr., founder of Bob Jones University; Dr. Joe Henry Hankins, greatly-used Southern evangelist; Dr. W. B. Riley, founder of Northwestern Schools, Minneapolis; Dr. John Linton; Dr. Elbert Munsey, great Methodist of the past generation; Evangelists Bill Rice, and James V. Lamb; Dr. R. A. Torrey, and more than 50 titles, published in more than 8 million copies, by Dr. John R. Rice.

Write us for a catalog of our publications!

We have a free gift for Moody Bible Institute students: a copy of Dr. R. A. Torrey's "Vest Pocket Companion for Soul Winners." Write for your free copy today. Of course, we will be happy to send samples of *THE SWORD OF THE LORD*, "America's Foremost Revival Weekly."
